## Star-Glo Top Dress Pellet (7908)

A pelleted feed formulated to give your show animal increased bloom and muscle tone.

## FullTank

FULL Tank is a nutritional product designed to increase the capacity of the stomach or rumen.

- Useful when intake is restricted to limit weight gain.
- When limit-feeding, adding FULL Tank maintains "gut fill" and keeps the fresh, expanded look.
- Reduces the stress level and hard look associated with a low feed intake.
- Contains a probiotic to aid digestive function.
- FULL Tank is pelleted and works best when fed dry.
- FULL Tank expands more than beet pulp and will retain more water than beet pulp.

## FINAL CONTROL

A unique "top dress" product designed for use with Sunglo formulated show feeds when total feed intake is being restricted to achieve desired body weight or condition.

- Final control supplies critical nutrients needed to maintain muscle mass and shape during a "holding program".
- Feed 1 to 2 lbs per head per day along with the amount of regular show feed needed to achieve the desired weight when restricting total feed intake to 4 lb per day or less.
- Replace 25% - 50% of normal feed intake with Final Control.

## POWERUP

POWER UP assists show animals in need of more energy and fatty acids to increase bloom, hair coat and cover.

### Fortified High Energy Show Animal Supplement

- Contains high levels of Omega 3 and Omega 6 fatty acids.
- POWER UP is formulated with "Rumen Bypass" technology for use in sheep and goats.
- Lambs utilize POWER UP efficiently as a normal fat source.
- High palatability and utilization to allow quicker change in animal's composition.

## Sumo

A unique blend of high quality fat and milk components to ensure immediate acceptance and rapid change in bloom.

- 70% fat source that can be used in ration mix or as a top dress.
- Introduce at 2-4 ounces/day and increase as needed.
- Do not exceed 6 1/2 % total dietary fat in ruminant animals.

## Definition

A water-soluble product containing a complex formula that has been researched to enhance appearance and definition of muscle as needed prior to entering the show or sale ring.

- Available in a pail of 20 packs  
(10) - 4 oz. packets of Definition Base  
(10) - 2 oz. packets of Definition Activator
